

BAKO ENTERPRISES

www.bakoenterprises.com

Bako Enterprises owns and operates a diversified portfolio of businesses and investments built and cultivated by business mogul Bako Ambianda.

From humble beginnings in 2023, Bako Enterprises has grown into a dynamic and diverse green business group operating across Africa and beyond, with a strong focus on shaping greener economies as part of the global sustainability revolution.

Over the years, we have built a proven track record of excellence, developing innovative and successful companies under the Bako brand in sectors such as clean energy, electric vehicles, event centers, media, water treatment, beverages, and more.

BAKO ENTERPRISES OPERATES ACROSS 6 CORE PILLARS OF SUSTAINABILITY, DRIVING IMPACT AND INNOVATION ACROSS AFRICA AND BEYOND.

Renewable & Future Energy

Harnessing the power of solar and clean technologies to build a sustainable energy future through Bako Solar Company.

Sustainable Agriculture & Food Production

Cultivating resilient food systems and enhancing agricultural productivity across Africa through Bako FMCG Limited.

Sustainable Infrastructure & Construction

Building greener, more resilient communities one project at a time through Bako Properties Limited.

Sustainable Transportation & Mobility

Pioneering eco-friendly mobility solutions that promote cleaner, smarter cities through Bako Motors Company.

Sustainable Technology & Innovation

Advancing cutting-edge, sustainability-driven technologies that shape a brighter future through Bako Technologies.

Bako Enterprises is the collective identity of multiple visionary businesses contributing to Africa's sustainability revolution. We build and scale strategic companies across key economic sectors that drive growth, innovation, and long-term development across the continent.
