

# BAKO AMBIANDA

# GLOBAL SPEAKER & VISIONARY BUILDER

**Bako Ambianda** is an influential global speaker renowned for delivering thought-provoking insights at premier international business gatherings. His work sits at the intersection of entrepreneurship, economic development, sustainable energy, leadership, and the future of emerging markets—positioning him as a defining voice shaping the next frontier of global prosperity.

As the Founder of **Bako Group Holdings** and the architect of **Afridevelopism**—an ideology advancing Africa's transformation through homegrown innovation, private-sector leadership, and strategic partnerships—Bako champions a bold and actionable vision for Africa's emergence as a powerhouse in the global economy. His cross-sector expertise, spanning technology, energy, mobility, finance, and trade, offers a holistic lens on new economies and continental advancement.

Bako has delivered keynote addresses, lectures, panel insights, and fireside conversations at global summits, investment forums, leadership programs, academic institutions, and government convenings

## SINCE 2016, HE HAS ADDRESSED INFLUENTIAL AUDIENCES AT PLATFORMS SUCH AS:

**Bloomberg New Economy Forum** — Marrakesh  
**Meet Japan Forum** — Tokyo  
**PowerGen International** — Orlando, Florida  
**UN Global Compact Leaders' Summit** — New York  
**Affordable Housing Summit** — Kenya  
**EV Charge Live** — South Africa  
**Invest in Africa Summit** — Belgium

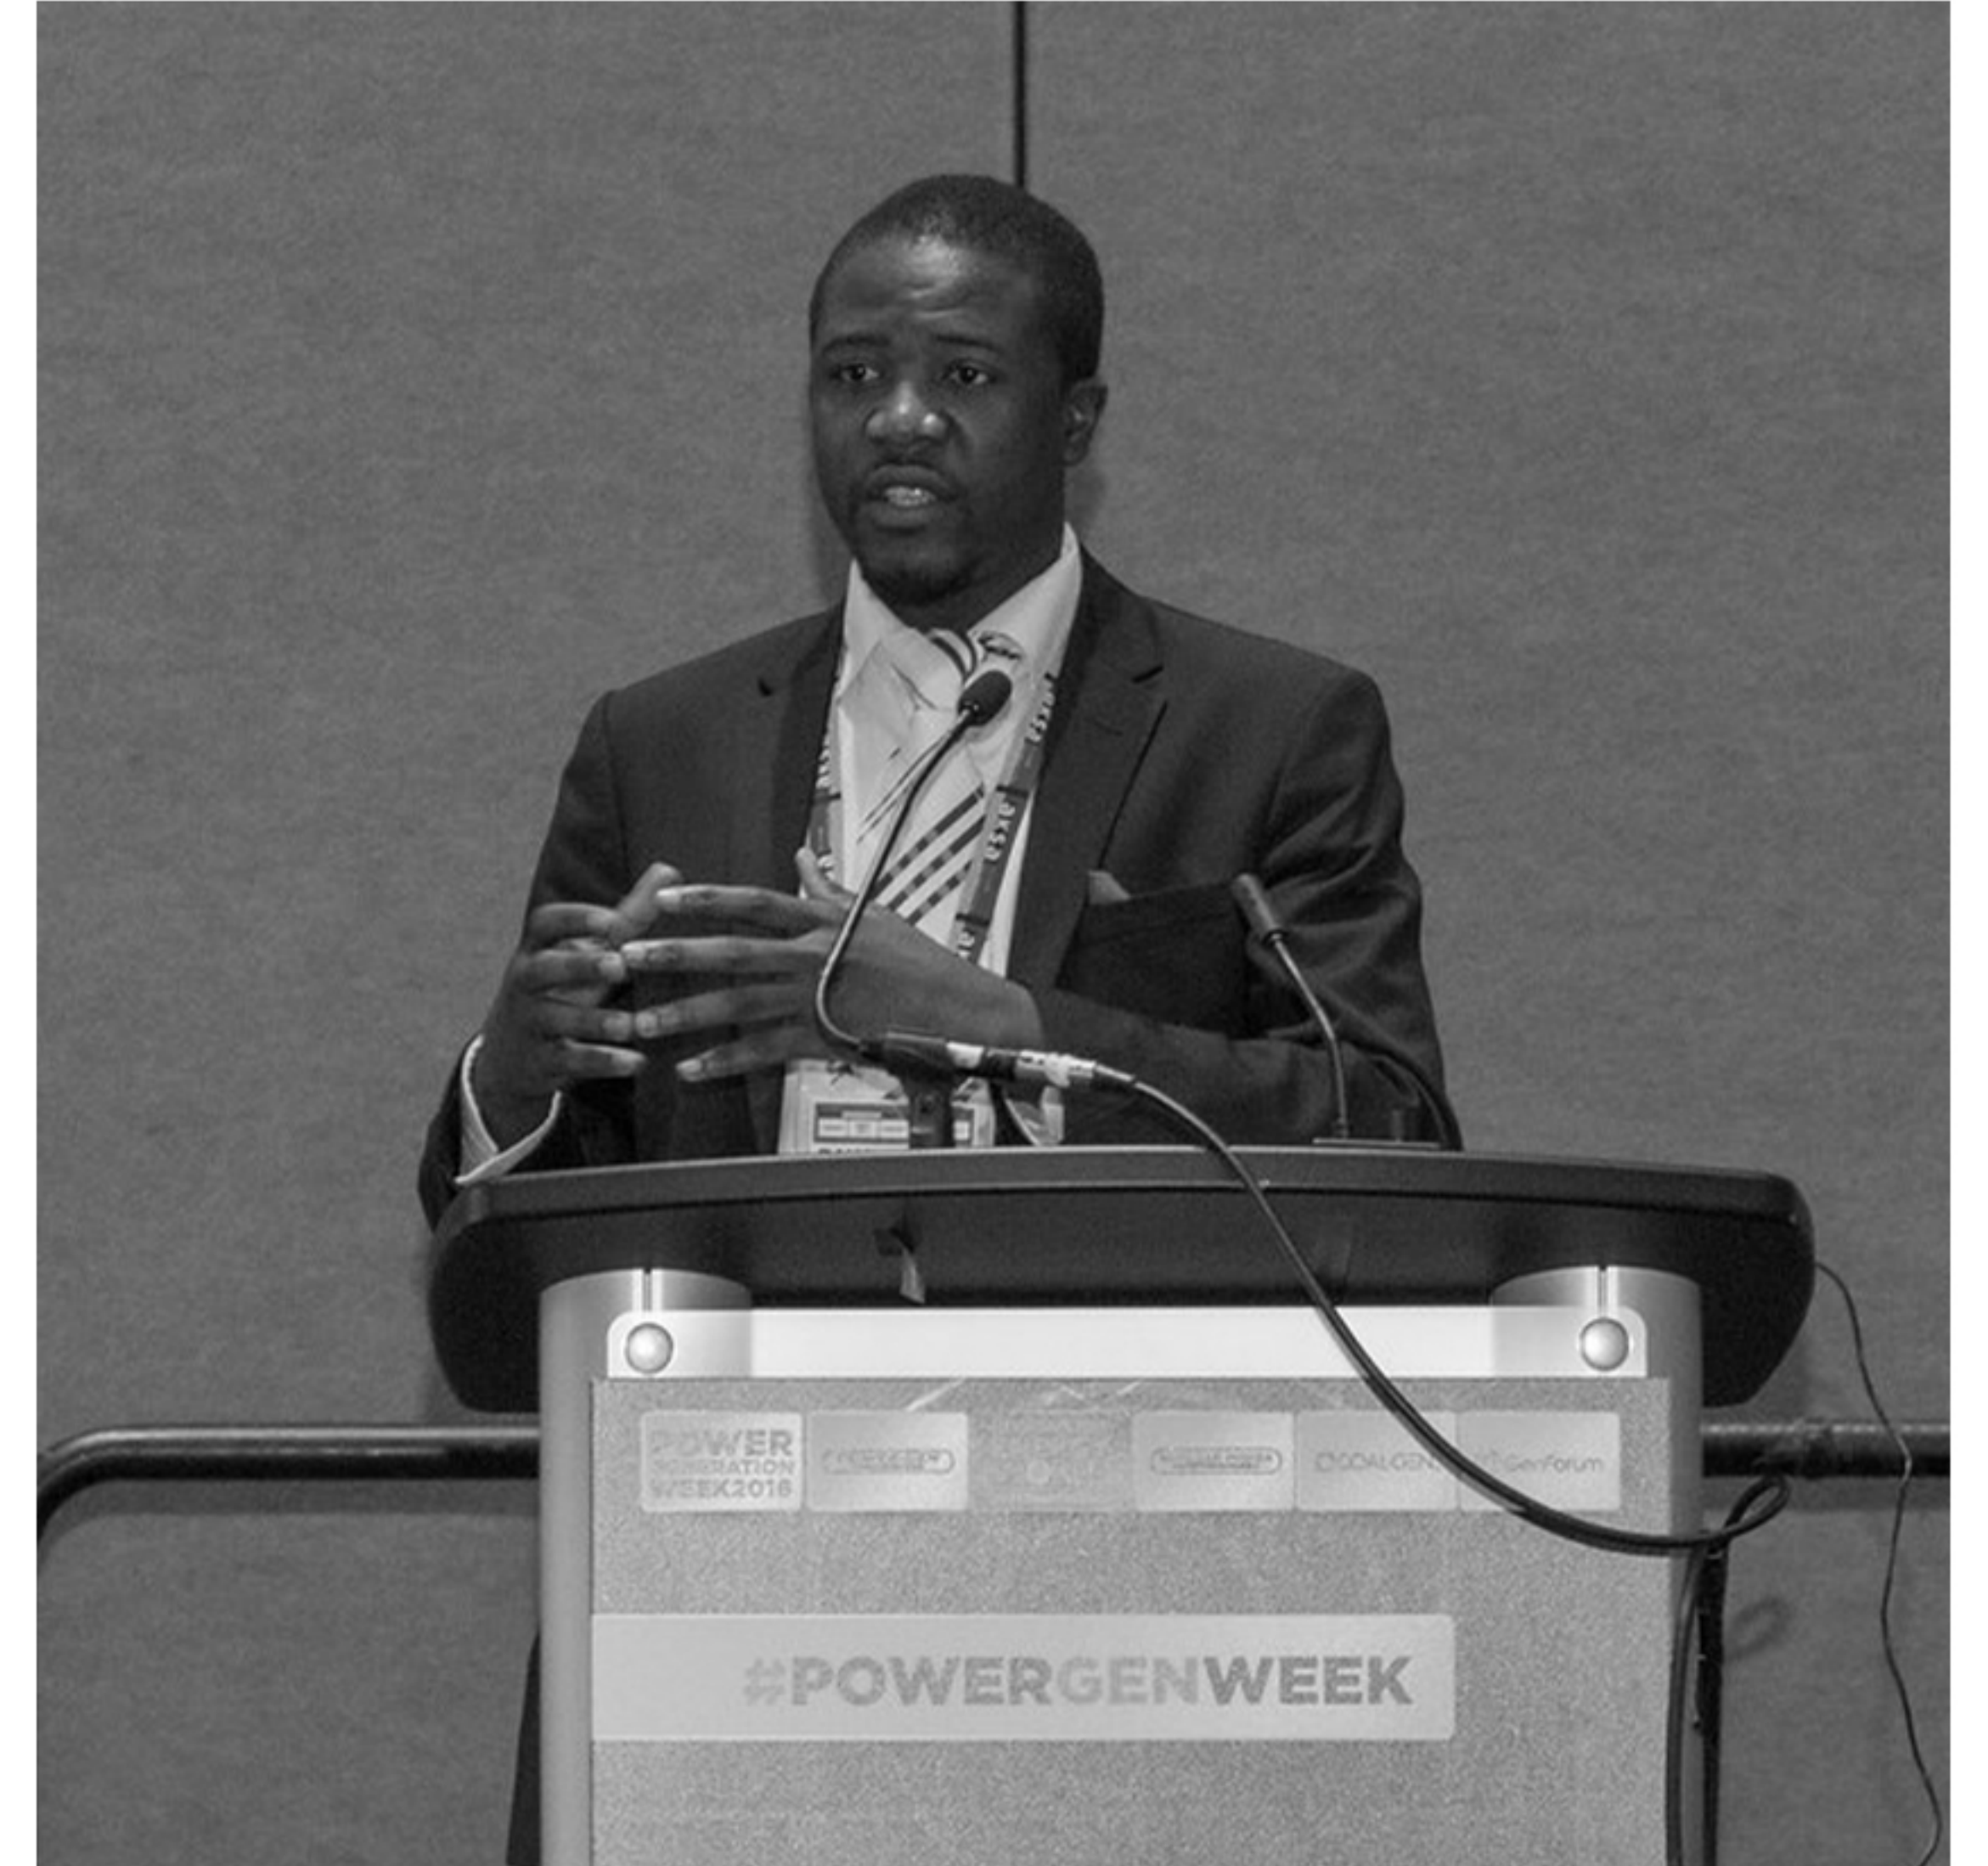

**Duke University Energy Initiative** — North Carolina  
**South by Southwest (SXSW)** — Austin, Texas  
**Market America International Convention** - Florida  
**SuperReturn Africa** — Cape Town  
**Warwick Africa Summit** - London  
**NexTen Summit** - Senegal

His presentations blend visionary ideas with practical frameworks, empowering leaders, entrepreneurs, policymakers, and emerging change-makers to transform concepts into scalable, measurable impact. As an acclaimed published author, Bako began influencing audiences early in his career. By age 25, he was speaking at U.S. universities on personal development, leadership mindset, self-esteem transformation, and professional growth.

At 26, he completed a 12-city book tour, addressing audiences of more than 200 students at institutions including Prince George's Community College, Anne Arundel Community College, and The University of Texas at Austin. His message consistently resonates with audiences, igniting ambition, strengthening belief systems, and challenging traditional perspectives about success and leadership.

# CORE SPEAKING THEMES
