## ENTREPRENEUR. BUILDING AFRICA'S FUTURE.

### AWARD-WINNING

Bako Ambianda is the Chairman and CEO of Bako Group Holdings, a pan-African investment holding company with a diversified portfolio across finance, technology, energy, real estate, mobility, and media.

He is the CEO of Backbone Capital Ventures, President & CEO of Labacorp Industries, and Executive Chairman of ATIGS Network. He leads Capital Allocators 100, advising corporates, institutional investors, and governments on capital allocation strategies and private equity investments in Africa.

A passionate advocate for Africa's sustainable energy future, he champions initiatives in solar, electric mobility, clean water, and recycling — through Bako Enterprises and Velocity Xperience (VX Global).

"YOU MUST BE WILLING  
TO JUMP AND GROW YOUR  
WINGS ON THE WAY DOWN."
